See Why People Are Talking About Their “Planets Purest Water™ Maker”

Conserving water is good; creating your water is the “talk of the town”

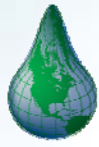

Own Your Own “Cloud”, Make Your Own “Rain”

Water Production Chart / Liters (Green) / U.S. Gallons

The **RAIN CLOUD™ (C-21)** Atmospheric system is the first major appliance since the microwave. This appliance can produce over 10 gallons of Atmospheric H₂O per day, with **Hot & Cold** water dispensing. The purity & **NATURAL** oxygen content far exceed that of bottled waters, while naturally hydrating the body. Air purification, water creation, higher purity, incredibly smooth taste, constant circulation water filtration; all at a cost less than bottled water.

Join the “**GREEN MOVEMENT**” with **Planets Purest Water™**.

Detailed

Manufacturer's

Specifications

PLANETS PUREST WATER™

"One Planet, One Solution"™

"RAIN CLOUD" (C-21) Specifications

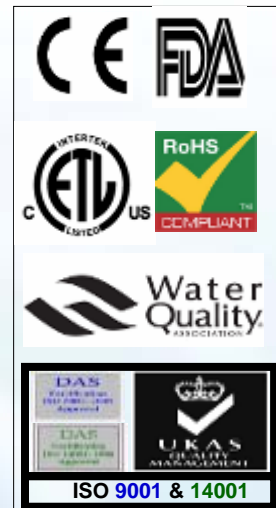

Item	RAIN CLOUD™ (C-21) Atmospheric Water Generating Machine
Dimensions	16" X 19" X 43" Inches / 400 X 480 X 1100 Millimeters
Weight	110 Lbs. / 50 Kg
Water Storage Capacity	Main Reservoir Storage: 6.6 Gallons / 25 Liters
	Evaporation Water Collection Tank: 1/2 gallon / 2 liters
	Hot Water Tank: 1/2 gallon / 2 liters
	Cold Water Tank: 1/2 gallon / 2 liters
Water Making Capacity	2 - 13 gallons / 8 - 48 liters (depends on temperature & humidity)
Power Consumption	Compressor: 471W for making & chilling water
	Hot Water Tank: 300W
Refrigerant	R134-a (environmentally friendly)
Filter System	Six (6) Step SLO-FLO Filtration System

Multiple layered Evaporation Coils

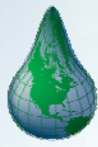

Antibiotic Air Filtration

"RAIN CLOUD" CERTIFICATIONS

PLANETS PUREST WATER™

“One Planet, One Solution”™

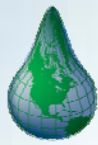

Features

- Six (6) step SLO FLO™ water & air filtration systems
- Patented continual water recirculation filtration system (*Ensures a zero bacteria count*)
- **INSTA-HOT** & adjustable **COLD** water temperature
- Child-proof hot water safety guard spigots
- Built in “Antibiotic Air-Filtration System” to purify incoming air flow
- **HYBRID** Water Filtration capabilities enables an endless water supply
- Automatic shut down & alarm systems detect any possible water leak
- **ULTRA-VIOLET** (UV) indicator lights & auto shut down alarm in the event of UV failure
- Easy read LCD picture function display
- Simplified slide in filter change outs
- Easy access control panel
- Quick connect UV replacement bulbs
- Certifications: **FDA, CE, ETL** (Edison Testing Laboratories, exceeds **UL** standards) & **RoHS Compliant™**

Benefits

1. Eliminates any bacteria, micro organisms & viruses
2. Purifies the air in homes & offices
3. Draws moisture out of the air and condenses it to pure drinking water
4. Creates the **Planets Purest Water™** to enhance consumer Hydration levels
5. Natural oxygen content
6. Provides a continual safe, stable, and pure ongoing water supply to individuals and businesses
7. Atmospheric Water Production immediately eliminates dealing with 95% of contaminants and pharmaceuticals found in ground water
8. Frees up valuable floor space used from storing 5 gallon water bottles
9. Eliminates slip and falls insurance claims from spillage
10. Eliminates worker's comp claims for business's (OSHA weight limits for lifting are actually violated when employee's lift 42 pound, 5 gallon water bottles without an approved back brace)
11. Various Emergency Disaster relief capabilities
12. Cost savings for individuals and businesses. (There is no need to continually buy bottled water when you can make your own)
13. Environmentally friendly, “**GREEN**” technology
14. A gravity feed dispenses water contents in the event of power outages or natural disasters
15. Matches & enhances décor to add ambience

“The smoothest water you have ever experienced, try it today”

PRESS RELEASE:

PLANETS PUREST WATER™ RELEASES FDA APPROVED STATE-OF-THE-ART ATMOSPHERIC WATER GENERATORS#

Planets Purest Water™ is pleased to announce the launch of their “CLOUD SERIES™” Atmospheric Water Systems. These State-of-the-Art units are equipped with the latest in technological advances in water production and the highest Quality Control Standards of the industry. The RAIN CLOUD™ (C-21) unit Certifications & Approvals include ETL, Edison Testing Laboratories (exceeds all UL standards) CE, FDA and RoHS Compliant™.

Planets Purest Water™ has also released two new Industrial units, the TC-5,000 LPD (Liters per day) & TC-2,500 LPD to accompany their existing TC-10,000 LPD units.
